TO WHOMSOEVER IT MAY CONCERN

It is our pleasure to enthusiastically recommend Mr. Sambhav Kumar to you.

We had a great pleasure working with Sambhav. He is one among the most intellectually curious and enthusiastic.

During our time together, Sambhav proved to be bright, inquisitive, and diligent in his work as well as studies. His communication and leadership skills were truly impressive, and his presentation delivering skills were remarkably good for which he used for psycho-educating patients.

Throughout his internship period, Sambhav kumar demonstrated exceptional commitment, enthusiasm, and a strong passion for the field of Psychology. His willingness to learn and his proactive approach to the challenges of our profession have truly impressed me. As a Clinical Psychologist, I have had the pleasure of working with numerous interns, and Sambhav ranks among the best I have encountered.

Sambhav's passions extend well beyond the clinical work. During his time with us, he organized various needful activities for the patients and along with that took the task of psycho-educating them.

I am confident without reservation that Sambhav would be an excellent fit for you. As a tirelessly creative and passionate individual, he will be a productive addition for you.
